ARTICLE 1. ORGANIZATION

1.01 Name

The name of this District shall be the Southwest District of Kappa Kappa Psi, National Honorary Band Fraternity for College and University Bandmembers.

1.02 Membership

The Southwest District shall comprise all the chapters and petitioning groups of Kappa Kappa Psi located within the states of Arkansas, Louisiana, New Mexico, Oklahoma, and Texas, unless assigned elsewhere by the Kappa Kappa Psi National Council; as well as any chapters or petitioning groups assigned to the District by the National Council.

1.03 Affiliated Organization

The Southwest District of Kappa Kappa Psi recognizes the Southwest District of Tau Beta Sigma as an equal affiliated organization with a parallel purpose, function, and role in the college and university band setting within this District. The District recognizes the use of joint meetings with the Southwest District of Tau Beta Sigma for matters of mutual interest, including but not limited to educational programs and adoption of joint programs and procedures.

ARTICLE II. GOVERNANCE

2.01 Governors

The Southwest District shall be under the jurisdiction of the Southwest District Governor(s), who shall be appointed by the National Council. Governor(s) shall perform any duties prescribed by the National Constitution, District Constitution, or the parliamentary authority, and such other duties applicable to the office and adopted by the District.

2.02 District Council

The Southwest District Council shall act as the executive body of the District. The District Council shall consist of the District Officers and the Governor(s).

2.03 Governing Documents and Amendments

The Southwest District Constitution shall be the local governing document of the District. All operations and business of the District shall be in compliance with the District Constitution. In accordance with the National Constitution, the District Constitution must be approved by the National Council and National Executive Director.

2.03.1 Policies and Procedures

The District may adopt policies and procedures to conduct business between District Conventions. These policies and procedures shall be published in a secondary document named the Southwest District Policy Guide. All items published in the District Policy Guide shall be considered Special Rules of Order under the parliamentary authority and are subject to approval of the National Council and National Executive Director. If conflicts arise, the District Constitution shall take precedence over the District Policy Guide.

2.03.2 Regular Amendments

Proposed amendments to the District Constitution shall be presented in writing either in advance of or at regularly-called District Conventions and shall be referred at once to the Jurisdiction Committee. The Jurisdiction Committee

shall report on the proposed amendment at the same Convention. If seventy-five (75) percent of the votes cast by the Convention are favorable, the proposed amendment shall be declared adopted, and upon and after such adoption, it shall become operative and effective at the conclusion of the Convention, unless otherwise noted. Amendments affecting joint policies shall not take effect until approved by the Southwest Districts of both Kappa Kappa Psi and Tau Beta Sigma.

2.03.3 Tabled Amendments

If the favorable vote on a proposed amendment to the District Constitution is less than seventy-five (75) percent, yet there is a majority vote, the proposed amendment shall be tabled until the next regularly-called District Convention. During the interim between Conventions, it shall be published in the minutes of the Convention at which it was proposed under the caption: "Proposed Amendment(s) to the District Constitution." Once a tabled amendment is again under consideration, it shall again be subject to the rules of Regular Amendments found in Section 2.03.2. If a tabled amendment fails to achieve a seventy-five percent majority upon reintroduction, it shall be considered defeated and shall not be eligible for consideration for a period of two (2) years.

2.03.4 Special Amendments

Under extraordinary circumstances between regularly-called District Conventions and upon unanimous approval by the District Council, a proposed amendment to the District Constitution may be submitted in writing to the chapters of the District for ratification. The length of the open voting period shall be determined by the District Council. If a seventy-five (75) percent favorable vote of all chapters in good standing is received, the proposed amendment shall be declared adopted, and upon and after such adoption it shall become operative and effective immediately, unless otherwise noted in the Constitution. Amendments affecting joint policies shall not take effect until approved by the Southwest Districts of both Kappa Kappa Psi and Tau Beta Sigma.

Any amendments adopted by consent of the District Officers between Conventions shall be presented to the Jurisdiction Committee at the next regularly scheduled Convention for inclusion in District records.

2.03.6 Publication and Supersedence

The District Constitution and the District Policy Guide, as revised and amended, shall be reprinted following each regularly-called District Convention and shall supersede all previous District Constitutions and Policy Guides. In years in which a National Convention is held, reprinting shall be done following the National Convention to allow for review to ensure the District Constitution and District Policy Guide are in compliance with any changes made to national policy.

2.04 Parliamentary Authority

In accordance with the National Constitution, as the District is a component part of the Fraternity, the rules contained in the most recent edition of Robert's Rules of Order shall govern the District in all cases to which they are applicable and in which they are not inconsistent with the District Constitution and any special rules of order the District may adopt.

This date should be selected to allow ample time to finalize the workshop schedule before hosts must begin promoting the workshops. At least thirty (30) days' notice should be given to the chapters in an Area regarding the date and host site of the Area Workshop. Costs should be kept to a minimum as no compensation will be given from the District accounts to host a workshop.
