### Officer Reports

1. **Member at Large Report**
  - Per NatCon hype posts in the works as well as other Natcon shenanigans!
2. **Secretary/Treasurer Report**
  - Went through and updated our archives on the website adding in the most recent District Officers. Also updated the links on the resource section and took off the useless ones.
  - When are we going to be sending out the reimbursement form to the chapters receiving grants, I want to make sure I understand how my part works before we send it out.
  - I still need to update our photos on the website to make them all the same size.
3. **Vice President for Programs Report**
  - Emailed all the chapters we awarded a CAG to, haven't heard back from any so hopefully that means no questions or issues! Going to be making contact with all the chapters before they leave to go to NatCon.
    - i. Gonna create and send out a Google Form for them to put in their reimbursement requests sometime in the next week or two
  - Been talking to Mykaela and the governors (Lizzi mainly) about potentially changing/restructuring the New ALTO, mainly to encourage engagement
    - i. Still workshopping this and will probably talk about it in the joint meeting, but curious on y'all's thoughts
    - ii. Basically: low engagement with the New ALTO from chapters, and some difficulties getting responses for chapter features. I suspect that this is because of social media (and the open-ended submission form is not as effective), but would a format/frequency adjustment solve this, or do we need to approach engagement differently?
      1. Mykaela's proposal: Keep the monthly announcements version, but separate the chapter features into their own semesterly publication, pros/cons

#### 4. Vice President for Leadership Development Report

- a. Hi team! I don't know if I'll be here for the meeting (or the Joint Meeting later). Life has been hectic and awesome epic awesome at the same time, and I'm covering a shift at one of my jobs for a coworker tonight. If labor times and business permit, I will try to be here.
  - i. I hope y'all are doing well, and if there is anything I need to do or can do to help out in any way, please let me know!
  - ii. Also, if I cannot be here could someone please let me know my role and responsibilities at Natcon? I know I am the Sergeant at Arms for the SWD, but I would love more information and what all it entails! (:
- b. It has also been brought to my attention that having a lot of events that cost money can make brothers not want to attend said events (I have seen this with the chapters I am assigned to in conversation, as well as in my own chapter), which has me thinking about the idea of a virtual brotherhood event of sorts. There are a few online things I have thought of for some form of "game night"
  - Gimkit
  - Kahoot
  - Virtual Escape Room
  - Pictionary
  - Among Us
  - Scavenger Hunt
  - Charades
  - Potentially one of the Jackbox games(?)
  - ii. If y'all have any ideas, suggestions, or feedback on these ideas, please let me know!
  - iii. Look at the max capacity of these games please - Garret

#### 5. President Report

- a. National Convention
  - i. All the district presidents had our convention meeting with Bang Co himself. He took us through the itinerary for each day and told us how the separate District Caucus Blocks will work.
  - ii. I would like to try and find something for us to do as a District at the National Convention. A time that possibly we could go to the arcade as a district, go see a movie, go get food.
  - iii. Trying to work on making a group me/group chat for people in the SWD going to convention to be able to talk to each other.
- b. District Presidents
  - i. All the Kappa Kappa Psi district presidents created an instagram groupchat right before the semester ended. This has been a great way for us to connect and help each other out when we can.
  - ii. Currently we are talking about making an activity for brothers to do at the National Convention to get brothers from different districts connected and talking.
  - iii. We are also planning a night out together during the National Convention so that we can have a chance to hangout together in person!
- c. SWD Convention
  - i. Me and Natalie are finalizing the details for the overall theme for the convention.
  - ii. We will have it finalized and sent out sometime this week to both councils!
- d. Goals

- i. I am looking over my platform and looking at all the goals I wanted to accomplish. I encourage you if you haven't already, to look over your platform and remind yourself what goals you had for this position and how you are gonna go about accomplishing them.
- ii. Thank you all for everything you are doing!!

## Governor Reports

**6. Lizzi Pineiro**

**7. Kadeem Sabari**

- I'll be doing my Founders' Circle Presentation during the Thursday evening block of national convention! You don't have to go, but just letting you know 😊
- Taking care of your health is also important. The Doctor said she was proud of me, which was really nice!
- Make sure you hydrate and rest well for National Convention!
- Encourage chapters when you are talking to them to be planning in advance for SWDCON and other events that are coming up, especially how they plan to pay for these things!

**8. Andy Melvin**

- Has everyone made their travel arrangements for Lexington?
- Please let us know if you are having any issues coordinating with your TBS counterpart
- Our role in caucuses at National Convention
- Safe travels! Can't wait to see everyone in a couple of weeks
